

# Yard Truck Line Saver

The **EZ Claw Yard Truck Line Saver** is a direct-mount system that **safely supports and suspends hoses**, allowing for your yard hostlers to make key moves in the yard. You can safely maneuver in tight spaces without the risk of damaging air lines.

## Why buy this Line Saver Kit for Yard Trucks?

### Easy to Install

Two rivet nuts to secure directly to the side of the cab. **No mount needed.** Straightforward design provides years of hassle-free service.

### Versatile

Sharp turns and 90° backing maneuvers are **no challenge for the EZ Claw** system specifically designed for yard tractors.

### Functional

**84" of line travel** gives yard hostlers the freedom to move in congested dock environments.

### Durable

Weatherproof components have been **ASTM salt spray tested** for durability. All parts come with a two-year warranty on manufacturer defects.

## Find the right Yard Truck Line Saver for your truck.

Scan the QR code and answer a few questions on our online EZ Product Finder to determine what you need to support the hoses on your yard setup. It's simple and easy.
